4. Planning Applications

WP/2010/0259/F

Alterations to and enlargement of the existing bungalow to create a 2-storey dwelling house

36 Manor Road, Mears Ashby

Mr Billy Druce

Two Councillors were concerned that this may in effect be a rebuild, as it would appear that virtually all the original walls might be demolished although the plans contained insufficient information to clarify this point, although they do appear to indicate an increase of 48% in the size of the property.

Councillors indicated a preference for the existing eaves level to be maintained throughout to give the essence of a bungalow with dormer windows to fit in with the current street scene.

5. Matters of Concern

Weeds in the village, Highways are to be contacted to ask for weed killing to take place.

The light in Bakehouse Lane is not working again, this is to be reported.

JCC - response from Joe Hubbard – Mr Watts felt that the reply did not get to grips with the problem and suggested we write again.

There being no further business the meeting closed.
